

JUN 18 2007

U.S. Serial No 10/528,917

Docket No. MAX 02.01 CIP

Substitute Amendment B Under Rule 116

REMARKS

This Amendment replaces previously filed Amendment B under Rule 116, and addresses issues raised in the Advisory Action mailed June 14, 2007.

Claims 1 and 70 have been amended to clarify the invention, and to better define the invention over the prior art. No new matter has been entered by any of the foregoing amendments.

In the Office Action, claim 107 has been preliminarily rejected under 35 U.S.C. § 112, for insufficient antecedent basis. Claim 107 has been amended to depend from claim 106, the language of which provides sufficient antecedent basis for the language of claim 107.

The remaining rejected claims have been amended to include language identified by the Examiner as allowable. Claim 1 has been amended to include the allowable subject matter of claim 101, which has been cancelled. Claim 70 has been amended to include the allowable subject matter of claim 89 and claim 89 has been cancelled. Claim 103 also has been cancelled in view of the Advisory Action mailed June 14, 2007.

The foregoing amendment makes no claim changes that would require further search by the Examiner. Accordingly, entry of the foregoing Amendment is respectfully requested.

Having dealt with all the objections raised by the Examiner, the Application is believed to be in order for allowance.

Form PTO-2038 authorizing credit card payment in the amount of \$60.00 to cover the cost of the Petition for One Month Extension accompanies this Amendment.

In the event there are any fee deficiencies or additional fees are payable, please charge them (or credit any overpayment) to our Deposit Account Number 08-1391.
